The City of Hope's Land Development Code provides for Sign requirements specific to each Zoning Classification. This information is provided to assist in the process of receiving a Sign Permit. In order to receive a Sign Permit a submittal that included all dimensions and a drawing and/or artistic rendering is required. A permit may be issued upon receipt of this information and no charges are applicable.

These definitions pertain to signs in all Zoning Classification Districts. (From the Land Development Code)

3. Advertising Sign or Structure. Any cloth, card, paper, metal, wooden, plastic plaster, stone sign or other sign, device, or structure of any character whatsoever, including statues, placed for outdoor advertising purposes on the ground or on any tree, wall, bush, rock, bush, rock, post, fence, building, or structure. The term "place" shall include erecting, constructing, projecting, posting, painting, printing, tacking, nailing, gluing, sticking, carving, or otherwise fastening, affixing, or making visible in any manner whatsoever. The area of an advertising structure shall be determined as the area of the largest cross-section of the structure. Neither directional, warning, nor other signs posted by public officials in the course of their public duties shall be construed as advertising signs for the purpose of this ordinance. Merchandise or materials being offered for sale shall not be construed as advertising signs.
42. Banner. Any cloth card, paper, or plastic sign or device which is meant for temporary advertisement and which is not permanently affixed to a structure.
43. Billboard. Any structure or sign meant primarily for advertising which exceeds 50 square feet in area.
44. Temporary Sign. A sign which is temporary in nature and appearance and not constructed or intended for long-term use and which is intended to advertise special promotional items or messages.
45. Portable Sign. A sign which is designed to be moved easily and not permanently affixed to the ground or to a structure or building. Permanently affixed shall mean anchored as stipulated in the Section 2303 construction of the 1991 Edition of the Standard Building Code and electrical codes.
